

Vass Theatre Group is pleased to announce a new strategic alliance with Extraordinary Learning Experiences (XLX) at the Alex Theatre in the City of Port Phillip.

As part of the Arts Innovation & Technology Hub within the Alex Theatre St Kilda we have been seeking a leader in the Virtual Reality space to support the development of our immersive technology spectrum from AR to XR and we have found this within Extraordinary Learning Experiences.

Extraordinary Learning Experiences joins our project with an in-depth knowledge in corporate training, compliance and technologies that have been enhanced by developments in the Virtual Reality space.

We are looking forward to the collaboration with other members within the [Alex Theatre project](#) to create solutions and opportunities within the virtual environment, including:

- ❖ Bespoke training development
- ❖ Story based learning
- ❖ Interactive learning experiences
- ❖ XR development in film production
- ❖ Mixed Reality (MR) environment development
- ❖ Augmented Reality (AR) integration in across theatrical staging
- ❖ System and cyber security
- ❖ Hardware integration and development, and
- ❖ Setting up of a XR start-up incubator

This alliance will support the work we do with [The eXtension](#) and [The Red Brick Wall](#) projects.

‘Experience – Reflection - Imagination – Reimagine’
